

KENDRIYA VIDYALAYA KANJIKODE

REPORT OF GUIDANCE AND COUNSELLING CELL ACTIVITIES

1. The cell comprises of two teachers, Mrs. Usha Malayappan PGT (Economics) and Mrs. Leena Mukundan TGT (Social Science) who have been trained to be teacher counsellors by the Sangathan through one year Diploma Course in Guidance and Counselling,
2. The objective of this cell this year is to primarily make the students become self-reliant and take responsibility for their behaviour as a Class.
3. There is an on-going project, “My Class, My Responsibility” through which this objectives is to be achieved. Please refer the register for the record maintained.
4. Till date, classes have been awarded Certificates of Excellence for 100% class attendance, for being the best library users, for being the best Yoga practitioners and for maintaining the cleanliness of the classrooms and its environs.
5. Apart from this, the cell also monitors the attendance of the students. Class attendance is monitored on an everyday basis and the reason for absenteeism is checked the same day and counselling if needed is given as soon as feasible.
6. This way, students who fear tests have been identified and counselling has begun for such students from classes X and XII.
7. The following are the activities which have taken place in the Vidyalaya which is part of the G & C programme:

FOR THE CURRENT ACADEMIC YEAR

The activities began with Tarunotsav from 3/4/2018 to 7/4/2018. The report is attached. The plan for the 2018-19 year is as follows:

1. To administer tests to ascertain the learning styles of students of ninth standard and to counsel them based on the results to help their learning and retention.
2. To bring professionals from different fields who are young and energetic to address the students of eleventh and twelfth standard. For this the support of the School Alumni will be sought.
3. The PROs from different educational institutions will be approached to disseminate information on courses offered and career options available for each course
4. Individual counselling will be taken on need based basis
5. The counselling experts available locally will be invited to address the students and parents to impart counselling, especially to students who have to appear for the Board Examinations this year. This practice already exists in the Vidyalaya and it shall be continued.
6. Under Awaken Citizen Programme imparting values for meaningful living is already being done very systematically and efficiently in classes VII and VIII, in which Ms. Leena Mukundan (School counsellor and TGT (Social Science) is actively involved.
